**RED SHRIMP**

Also known as Alistado, the Red Shrimp is a crustacean similar in appearance to the Carabinero. Its scarcity in certain areas of the Mediterranean has made it a highly prized species, which conquers the most demanding palates with its delicious flavour. There are many who claim that it is one of the tastiest seafood. Our Red Shrimp Spheres are the first spherifications made with this variety to reach the market. A unique opportunity to enrich any recipe.
