MANGO SPHERES

BESPERE®
Big flavor in every drop

Sweet, refreshing and a friend to light digestions, the mango is considered the king of tropical fruits. For the first time, it is now available on the market in delicate spheres that can be cooked at high temperatures, a quality that makes it even more appetising. Its intense colour will enhance the appeal of any dish, sweet or savoury. Hot or cold.

CRISPY SALMON, AVOCADO AND CURRY SAUCE
WITH MANGO IN SPHERES
Find more info & recipes at www.eurocaviar.es

It improves the presentation of all types of dishes.

Low in calories.

You can cook it, without loss of colour, flavour or texture.

Do not freeze. Keep in a cool dry place away from direct sunlight. Once opened, keep between 2° C and 12° C and consume within 10 days.

Preserved. Pasteurised.
