BESPHERE®
Big flavor in every drop

We transform the famous Sriracha sauce, from Thailand, into spheres that add a unique touch to any dish. With its spicy and balanced taste, made from red chillies, garlic, vinegar, sugar and salt, this essential condiment in Asian cuisine has also conquered Western gastronomy.

Its resistance to high temperatures without altering colour or texture makes it an ideal ingredient for hot dishes such as woks, pastas and grilled meats, as well as for cold dishes such as salads or sushi.
